Baby Quilts	\$20	Cloth Books	\$12
Larger Quilts	As marked	Placemats, Table Runners, Wall Hangings, etc.	As marked

For best results please spend a little time squaring and pressing your top and back. The quilts are stretched tightly on the machine so check your seams to prevent them from pulling apart. Backs must be 6 inches wider and longer than the top. If you are using a sheet for the back, please remove all seams. All threads should be clipped and identify the head of the quilt if necessary.

Please don't pin or baste your quilt together. I will do that on the machine. Refer to the pattern sheet for your choice of over 90 patterns. New patterns are available upon request. Custom quilting is also an option.
